Fechas de Exámenes Oficiales (Dates of official examination calls)				
Curso (Course)	Semestre (Semester)	Asignatura (Subject)	Ordinaria (Ordinary)	Extraordinaria (Extraordinary)
1º	Primero (First)	Genomics Assisted Breeding	12/01/2026	25/05/2026
		Machine Learning	13/01/2026	25/05/2026
		Programmable Biology: DNA Computation and Biocircuits Engineering	14/01/2026	26/05/2026
		Big data engineering	15/01/2026	26/05/2026
		Biocomputing: Challenges, solutions and opportunities	12/01/2026	26/05/2026
		Synthetic and systems biology	14/01/2026	27/05/2026
		Statistical Analysis and Data Visualization	13/01/2026	27/05/2026
		Genomics Data Analyses and Visualization	19/01/2026	28/05/2026
		Modelization And Simulation of Biosystems	14/01/2026	28/05/2026
		Computational Structural Biology for Lead Discovery	21/01/2026	28/05/2026
		Health Data and Knowledge Management	15/01/2026	29/05/2026
		Fair Data Management	21/01/2026	29/05/2026
		Bioinformatics Programming Challenges	16/01/2026	29/05/2026
		Knowledge Representation and Acquisition	22/01/2026	25/05/2026
		Computational Approaches in Evolutionary Biology	14/01/2026	29/05/2026
	Semantic Technologies	20/01/2026	26/05/2026	
	Segundo (Second)	Technological Innovation	21/05/2026	15/06/2026
	Profesional Development and Technology Transfer	22/05/2026	15/06/2026
