

UNIVERSIDAD POLITÉCNICA DE MADRID

**ESCUELA TÉCNICA SUPERIOR DE INGENIERÍA
AGRONÓMICA, ALIMENTARIA Y DE BIOSISTEMAS**

SCHEDULE 1st SEMESTER 2025 - 2026 (1 October – 19 December)

Days/Hours	Monday	Tuesday	Wednesday	Thursday	Friday
12:00 - 13:00	Computational approaches in evolutionary biology room 3202	Synthetic and systems biology (1 Oct - 7 Nov)	Modelization and simulations of biosystems (1 Oct - 20 Nov) room 3202	Synthetic and systems biology (1 Oct - 7 Nov) room 3202	Computational structural biology for lead discovery room 3202
13:00 - 14:00		Modelization and simulations of biosystems (27 Nov - 17 Dec) room 3202			
14:00 - 15:00					
15:00 - 16:00	FAIR data management room 3202	Genomic data analysis and visualization room 3202	Bioinformatics programming challenges room 3202	Health data and knowledge management room 3202	Genomic data analysis and visualization room 3202
16:00 - 17:00					
17:00 - 18:00	Machine learning room 3202	Statistical analysis and data visualization room 3202	Genomics assisted breeding room 3202	Knowledge representation and acquisition room 3202	
18:00 - 19:00					
19:00 - 20:00	Programmable biology: DNA computation and biocircuit engineering room 6201	Semantic technologies room 3202		Big data engineering room 3202	
20:00 - 21:00
