## Hohenheim

Early all our halls of residence are situated very close to the campus at the University of Hohenheim. You can reach the centre of Stuttgart and the main railway station in about 25 minutes on public transport.

Because most of the halls of residence are close to the campus, you can reach the lecture and seminar rooms, other university facilities, the canteen and the sports ground in a few minutes on foot or by bike.

The Stuttgart districts of Plienigen and Birkach nearby also provide various shopping facilities (a bank, supermarket, post office, baker's, chemist's etc.).
