Assoc. Prof. Zeynep Günay, Faculty of Architecture, Istanbul Teknik Üniversitesi, Turkey

9 March 2023, 2:00 PM CET

Circular governance

Dr. İmge Akçakaya Waite, Faculty of Architecture, Istanbul Teknik Üniversitesi, Turkey

Each webinar will be 1 hour and 30 minutes long and will involve a teaching and Q&A session and a final short quiz. Attendance of a webinar is required for an EELISA Discovery badge.

Based on quiz performance, attendees will be selected for participation in the face-to-face workshop that will be held in Pisa from 15-17 March 2023 and an EELISA Commitment badge.

Participant selection for the webinars and the workshop will be made with balance among EELISA communities and other institutions and countries in mind.
